Like hell

Struggle

When I watch
my hair with
Akane's
shampoo

Akane's
scent

comes
from my
hair

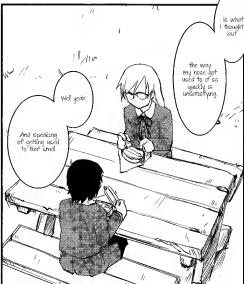

While feeling
Akane by my
side, my
body and
my heart
will be dyed
in Akane's
color.
**As
expected,
it became
something
gross.**

All day
I'm sur-
rounded
by
Akane's
scent.

Soon you
want me like to
experience Akane-
dono's actual scent
either, right?

Your
sentences
are back-
wards

Well yes

And speaking
of getting used
to 'feet' and

the way
my nose got
used to it so
quickly is
unconscioning

is what
I thought
but

Forget
about the
morning
chummy-go

How about
you focus on
fixing Akane-
dono's mood?

You're

Me...medic...

Ahh,
that sounds
good

is what
I'd like to
say but

How?

You could
buy the same
champoo and
give it to her

Even if
you say
that, how
would I?

Regenerative
champoo...

Naturally
moisturizing
ingredients
for silky
smooth hair...

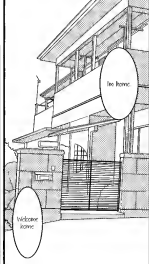

This is
more expen-
sive than I
thought.

You're
right...

Those are
my glasses,
aren't they?

Eh? Ah
Crop

S...Sorry,
I didn't
realize at
all, ♪

I thought
they seemed a
bit strong.

Yeah
right...
